Further **early bird** discounts available NOW

2027 Concerts

After many years of Concerts at our beloved Billanook College theatre, it is time for a change.

Our current theatre is the biggest in our area, but we have now outgrown the venue.

For 2027, we will be moving to a beautiful new theatre, Bunjil Place in Narre Warren. Over double the size of our current theatre!

We have some special plans in place to celebrate our 10th year at our new venue with all of our amazing dancers!

Communications platform: Band

Introducing BAND: Our New Communication Hub for 2027!

We've noticed that important emails can sometimes get lost amongst busy inboxes, so we're introducing BAND to make studio communication easier and more accessible for everyone. Our goal is simple: less searching through emails, clearer communication and more connection within our CMI community!

BAND is completely free and available on Apple and Android devices, as well as through a web browser.

How will BAND work at CMI?

- We have a main CMI Information Hub for whole-studio announcements, important dates, reminders and general updates etc.
- We will post rehearsal videos, cut music to practice at home, schedules and updates without everything getting lost in email threads.
- You will also be able to communicate via band with other parents as needed eg. Selling second hand uniform
- Scan to join your teams via the QR code.

Please note: BAND will be used for studio communication, while iClassPro will remain our platform for enrolments, payments, attendance and absence notifications.

2027
Fees

Core Programs- Fees and booking requirements

BOOK CASUALLY

- \$14 per class
- Paid when booking
- Book casually when you would like to attend
- Bookings made via iClass
- 2 hour cancellation policy to qualify for a credit or refund
- Cancellations requested via iClass
- To manage our class capacities, casual places are offered as the remaining class places after enrolments. This does mean that the volume of casual spots can fluctuate.
- Where classes are at capacity with enrolments, no casual places would be available for that session.

ENROL YOUR DANCER

- \$12 per class
- Paid weekly via iClass
- Secure an ongoing place in your preferred sessions
- Enrolment made via iClass
- 2 hour absence notification to qualify for a credit or refund (within 80% attendance allowance)
- Weekly fees are payable if you have exhausted your attendance allowance to hold your place.
- 2 week notice required to remove enrolment
- Family discounts available by request

STUDENT SUPPORT FUND

In 2027, we're excited to introduce our Student Support Fund. Run and managed by our Parents Committee, the fund provides financial assistance to help families maintain access to classes and to provide opportunities such as the concert. Further details will be released later this year.

2027
Classes

					Open Acro performance class ♥				
LYRICAL					Petite Lyrical	Sub Lyrical	Jun Lyrical	Int Lyrical	
GENERAL					Strength and Conditioning ★				
					Primary Ensemble		Open Ensemble		

Understanding our class options

PERFORMANCE CLASSES (DEFAULT)

Performance classes focus on learning and refining choreography and performance skills (with technical training woven into classes too of course). Students in performance classes have the option to perform at our Mid and End of year concerts. Completely optional but open to all core students.

SKILLS/ TECH CLASSES

Skills classes are non-performing classes designed for fast-tracked skill progression. They give students dedicated time to build real technical ability, without that time being shared with choreography or concert prep.

TEAMS, TROUPES, SQUADS, PRIVATE LESSONS

Anything listed with these titles are part of our extension teams and are closed groups that have been allocated as part of our Extension team program.

Proposed 2027 Timetable
