CLASS PROGRESSIONS AND REGISTERING FOR 2025

Current students will have their 'class suggestion notice' provided to them via their teacher during classes outlining the appropriate programs they suggest for your dancer. If you have any questions please do not hesitate to chat with a member of our team in person or via email, phone or text.

Current students will have first pick at their preferred sessions by registering before 17th November (First in best dressed). **We highly recommend registering at your earliest convenience as there are limited places per group.** Please note that the casual places available per session is adapted based on recurring student numbers.

Casual places may not be available for your preferred session if it is booked out by recurring students during the registration process. If you plan on attending regularly we strongly suggest registering for a recurring spot.

NO SYMPTOM POLICY REMINDER

We prioritize the safety of our dancers and guardians within our space which is maintained with our no symptom policy. This means that children and guardians both need to be well when attending classes to help keep everyone healthy and stop the spread of germs. If we do notice anyone presenting unwell, we will ask you to come back next time when you are feeling better.
